

What's Going On In Kindergarten at JP2

First Week of School

We had a fantastic first week in Kindergarten. We read some school starting books, "First Day Jitters", took individual and class pictures, went over classroom rules, and behaviors.

Mrs. Morgan and Miss Fink are using the Promethean Board a lot in their classroom. Every morning we try to have a morning message greeting the students into class.

On Tuesday we took a tour of our school, to help us remember where our specials like gym, music, and computers take place. We also had to practice our lunch line, because it was our first time getting to eat at school.

In Religion we started practicing prayers and also practiced going to the church, to see where we sit and how we enter correctly.

We have reviewed our colors, shapes, and numbers the first week of school.

Art is on Wednesdays.
We created color books with magazine pictures.
