### **2<sup>nd</sup> Week of School**

Our first full week of school went so very fast. We started our new reading series. Our first big book we read was "Animals in the Park" an ABC book. Along with reading we started in with K-Wac (Kindergarten Word Attack Course), helping our students learn about each letter and sound of the letter in the alphabet. Aa was the letter of the week, we created an A book and posted pictures and objects brought from home up on the (*Treasure Hunt Board*).

Circle of Grace for Religion this week, we talked about the "Golden Rule" teaching others the way we would want to be treated and if we are nice to someone we are being nice to Jesus as well.

Above, below, before, after, between, left, and right, were some of the topics in Math this week. We still have quite a time with our left and right. Please re-enforce this concept at home.

It is each class's responsibility to make a basket for the silent auction at our Annual fundraiser, The Autumn Classic (more info will be coming in the parent packet). Our theme for this year is "Mitchell Kernel". I am asking that each child (family) bring one item for the basket. If you find a larger item, find a few parents to go in on it. Some ideas are: mittens, scarves, hats, t-shirts, stadium seat, sweatshirts, etc. It just needs to be a black and gold or Kernel themed. If you have any questions, please do not be afraid to ask.

We would like to have all the items from Friday, September 18<sup>th</sup>. Thank you for your cooperation with this project.
