

Kindergarten News Week #13

We learned the "Ss" sound in K-Wac and will be talking about the letter Gg in K-Wac. (Remember to bring something for the class Treasure Hunt Board.)

We made turkeys in art this week, check them out in our hallway.

Spelling Words

gap got tag bag **BONUS:** gift

In Math, we are working with numbers 0-10 and we will continue with these concepts next week. Please keep practicing writing your numbers at home. We still have quite a few reversals. Practice makes perfect! We took our Chapter 5 Test on Thursday ☺ Nice Job ☺

In religion, we have been reviewing our prayers and the sign of the cross. Please continue to say the Hail Mary, Our Father, Glory Be, and Angel of God at home. Practice makes perfect. We have also been talking about how everyone is special and unique.

Please continue working on your telephone numbers, addresses, and birthdays. We will continue to test and start handing out certificates. Now we need to work on tying our shoes and writing numbers to 100.

STAR OF THE WEEK

Miss Fink's - Lizzy ~ Mrs. Morgan's - Tyler

Please remember to practice having your child put on their winter clothing items by themselves. Many of them are having lots of trouble with this. Also please label all items because many students have the same boots and mittens. (When the snow starts falling)

****Please have your child practice sounding out words at home. If they ask you what is that word, which is a perfect opportunity to have them attempt to sound out the word. Have them get used to blending the sounds together and coming up with the words by themselves. Model how to do this with them. You are the best teacher they have. They learn from doing.***
