Tuesday: Mass Practice and Gym

Wednesday: Music and Computers

Thursday: Library and Gym

Friday: Mass and Computers

Paper Books

Each week, your child will bring home two paper books. These are books we have read in class. They also have words highlighted in them. These words are high frequency words. This means they are seen often in print, so it is important for kids to recognize what these words are. Please keep them and have your child practice them often. I also strongly encourage you to read with your child every night; it will help them to become a better reader. The more words they are exposed to, the more they recognize and will be able to read them.

Thank You!

Magazine Drive

The last day to turn in magazine orders is Friday, September 25. Please make an effort to support the school and sell some magazines. If you need more forms, they are in the office.
