Thursday: Library and Gym

Friday: Mass, Computers and Stations

Missionary Project

A former student of JP II is going on a missionary trip with her class at Mitchell Christian in April. They are going to the Dominican Republic. Their mission is to work in the students in very poor schools. She has asked if our students would be willing to help her in this mission by supplying items that could be taken down there and shared with the children. First grade is asked to bring a bottle of glue. If you would like to participate, please send it to school by next Friday.

Please know this is absolutely voluntary,
but still worthwhile.

Thank You!

Snack Cupboard

We are in need of snacks. Please send a snack(s) with your child to school.

We have 16 children in the class.

The kids thank you!
