

Dear Parents,

Preschool will have a second week of the theme *Noah's Ark*. It is for the week of Aug. 31- Sept.4. Last week we became familiar with Noah and how he came to build an ark. We talked about animals, naming our favorites and learning about how to care for animals. We talked about pairs too. P1 colored pictures of animals which are hanging in the hallway. P2 made an animal mural that is hung up in the room. P3 made a book entitled, 2 by 2. You may check these out when coming to the room.

This week we'll further our studies by retelling the story of Noah's Ark with various pictures. We'll spend more time learning about rainbows and colors. Each class will make a rainbow, but each using a different medium. I may hang these up; they'll come home later.

P3 will do a Weekly Reader every week, usually on Friday. Please try to take time to go over these, and any other papers that come home with your child. This should help you to see and learn from your child what we are doing in class.

Each month we will focus on one particular color, number, and shape. Please help me by reinforcing these at home too.

September: Color: **Red**

Number: 1

Shape: Circle

There will be no school next Monday, Labor Day. Therefore, P2 and P3, which have library on Mondays, will get to keep their books for an extra week.

We have had a great start to our year. We're starting to learn routines, schedules, and rules. I'm pleased with their progress.

Thanks for trusting me with your little ones. I am here to do what is best for each of them, and with God's love and intervention, I will.

Mrs. Owens
