

Dear Parents,

The week of October 12 will be a very short week for preschool students. There will only be school for us on Mon. and Tues. due to conferences for P2 and P3 students. Our theme for this week and next week is *Fall*. Boy o'boy, has fall ever set in- or is it winter??

The firemen couldn't come to visit P1 last week due to a fire call, so they have rescheduled for Tues, Oct. 13. Hopefully they can make it this time!

JPII's Book Fair is Thurs, Oct 15. Mrs. Rezac has said that it will be open to the parents that come early on Wed and Thurs for conferences. Please feel free to shop for some great books!

I am not doing report cards or developmental checklists at this time, but certainly bring any questions, concerns or comments to our conference. As I wrote in a previous letter, if P1 parents have any questions, feel free to ask or even schedule a conference if you wish.

Please check the back packs for a note regarding decorating for the October Family Dance. Again, we'll need lots of helping hands! Also about back packs... please check them daily for notes and children's school work.

Remember, library is Mon. for P2 & 3 and Tues. for P1. Thanks for returning your books.

God bless,  
Mrs. Owens
