

Dec. 7-11

Dear Families,

The theme for the next 2 weeks is *Christmas*. There is a flurry of wonderful activities going on. All of which are in anticipation of the birth of Christ. We will “light” the 2nd candle of the Advent wreath this week and again say a special blessing. We also take a link off the bell’s chain link everyday; showing us how many days until Christmas Day.

We have a field trip to Prairie Crossings planned for this week. We will spend some time with the residents there and visit Santa! P1 and P3 will go on Thursday, each with one of the Kindergarten classes. P2 will go on Friday. The morning classes need to be there at 10:00 and P3 at 1:00. We’ll be gone around an hour. We already have enough drivers. *Thanks a million to our volunteer drivers!*

The leaders on these days do not need to bring a snack, as Prairie Crossings will provide cookies and a drink. 😊

The Christmas program for P2 and P3 is Dec. 17th at 5:00. We have been practicing quite a bit and will continue to do so this week. Please remind your child the importance of good and attentive behavior as we practice.

We do not have a dress code for the program, although I know many choose to dress in their “Sunday best”.

We have been making ornaments for our Jesse tree in our room. If you come by, feel free to check it out.

*Please, no more fruit rollups for snack. Most cannot get them unrolled.

*Save ink cartridges and toner cartridges for our school.

Enjoy the season of preparation.

Mrs. Owens
