

Dear Parents,

We had a great kickoff to our *Catholic Schools Week* with the carnival today. Praise God! As I worked and looked around, I saw lots and lots of people, all having a good time. Our theme for the week of February 1-5 is *CSW- Dividends for Life*.

\*Mass at 9am Highlight of the week; hopefully many can attend with your child.

\*Economics Fair- P3 will go from 12:30-1. I encourage parents to attend with your child to help with any purchases. Any money sent should be labeled "Economics Fair" and sent in a baggie, envelope or something similar. Please check the fliers that were sent home in the parent packet so your child has an idea what he may spend his money on. It is your choice whether to send money or not, but if you don't please talk about that with your child to help them understand people spend money on different things in different families. Thank you!

\*Obstacle Course at 2:20 with fifth grade (5M).

\*Gym for P3

## More important information

~Conferences will be held for K-6 on Feb 11. This year I will hold conferences for all 3 preschool classes in April. This later date should help us to better determine what class your child will fit into best for the following year.

~Book Fair will be held Feb. 11. Please stop by for some great books!

~Have you saved an empty cereal box for your child to decorate for Valentines Day? You may send it to school anytime after Wed, Feb. 3.

~I wanted to remind parents to always read Mrs. Ommen's weekly newsletter too.

Some "all-school" info is in there that I may not write about, but you'll want to know.

~No school Feb.12 and 15.

~Valentine's Day parties will be Thursday, Feb.11 for P1 and P3. And P2 will have theirs on Wednesday, Feb. 10.

In preschool it works best to only write "To boy or To girl" on each valentine or even nothing at all in the "To" space. Doing this makes it much easier for the child to pass out his/her valentines. Do make sure to print who it is from though. Class lists are following, in case you are not comfortable doing it this way.
