

Dear Families,

I am sending out a short newsletter for next week already, as I will be gone from school until Tuesday. Our theme for March 8-12 is *Community Helpers*. A child's own community is usually the first out-of-home environment he or she becomes familiar with.

We will learn about our community and how helping out in the community builds a strong one. There are people who choose jobs that help the community every day. We will figure out who they are and what they actually do. We'll learn about the tools they use, the uniforms they wear, and where they work.

The most exciting part of this week will be having some parents come in to talk to the students about their jobs as a community helper. I've asked a couple parents from each class to be a guest in our room. Also Dentist Farnham will come on March 12 (2x) to visit the classes.

***Mass for P2 on March 12.

***Preschool/Kindergarten Registration is March 16 from 6-7:30. We will run this night like an open house.

***Spring Break is March 18-19.

***Conferences for preschoolers will be April 21 (morn only) and all day on April 22-23. Further details and conference times are yet to come.

God bless you,

Mrs. Owens
