

Dear Families,

Wow! It's the middle of March already. Spring break is March 17 -18.

Our theme for the short week of March 15-17 is *St. Patrick's Celebration*.

We'll say a St. Patrick's prayer and see a picture of him to help us understand what this day is all about. We'll learn about leprechauns, shamrocks, and the color green. We will play a game called 'Pass the Shamrock' and we can even wear some green leprechaun hats.

I'm asking for everyone to wear green, if possible, on Wednesday, St. Patrick's Day.

I wanted to remind parents about Show and Tell. During Lent, I've asked for the leader of the day to bring a picture showing kindness. Some really nice examples I've seen are a drawing of 2 friends playing together and sharing their toys or a drawing of the child helping their parents. I'd prefer no toys for Show and Tell at this time. I'm trying to stress good and kind actions towards others during Lent. Thanks for helping your child with this.

Preschool/Kindergarten Registration Night is Tuesday, March 16 from 6-7:30. Please come and visit the classroom and do a craft project with your child and find out information concerning the next school year. The principal, the preschool and kindergarten teachers and the aides will all be there.

Happy St. Patrick's Day!!

Mrs. Owens
