

April 19-21

Dear Parents,

This week is conference week for preschoolers. I am not going to declare a theme; it's such a short week of classes. Classes will be held Monday, Tuesday and Wednesday afternoon. The rest of the time I have scheduled 10 minute conferences. Thank you to those that have signed and returned their conference slip already. To those that have not returned their slip, please do so in order to confirm your time. If you absolutely can't make a time work, we could do a phone conference if you'd like.

Mrs. Putnam, Miss Haynes Ross, all 61 students, and I have been working hard on the many assessments that are needed so that I can do the developmental checklists. We still have to finish up a couple on Mon. and Tues. Please try to have your child in attendance.

These checklists will go home on Monday for P2 and on Tuesday for P1 and P3. Check backpacks for them, look them over and bring them with you to our conference. We can go over any questions or concerns you may have.

We will still have library this week on our regularly scheduled days. Of course, P3 will have music too on Monday and P1 will have gym on Tuesday.

If you know a 2nd grader, you may want to congratulate them on their 1st Holy Communion which was this weekend. What a special day! Congratulations!!

Tuesday, April 20 is the April FUNdraiser at the north McDonald's from 5-8pm. Please join us and thanks for supporting our school.

April 22 is Earth Day. Go Green! God will bless us for saving His earth's resources.

God bless and see you at conferences,
Mrs. Owens
