

Dear Families,

Our theme for the week of May 10-14 is *Colors of the Rainbow*.

Colors are everywhere and they make our world beautiful!

Various activities that we'll do include:

\*Coloring, painting or creating rainbows- these rainbows will have the caption "God Keeps His Promises". We will keep the preschool graduates' rainbows at school to use for decorating for the graduation. (Note- everyone gets to make one.)

\* Rainbow Scavenger Hunt

\* Color songs, including the rainbow song

\* Scat the Cat (he changes colors just like that!)

\* Identifying colors around us, including the colors we wear and the color of our hair

\*Colorful manipulatives

~Thank you to all those that brought in paper towels. We do have enough now.

~Also thank you to those that brought in items for our "4<sup>th</sup> of July" basket. I have 4 volunteers to put it all together. THANK YOU!

~Library is closing. We will not be checking out anymore books.

~Spirit Day is Wednesday. It is Pajama Day. Make sure they are appropriate please. Slippers are acceptable, but a pair of shoes in the backpack would be a good idea too, especially for those with gym class.

Happy Mother's Day to all the preschool moms!

God bless,

Mrs. Owens
