

From The Desk of Mrs. Yahne

Week of August 31

Religion: We will begin this week with Chapter 1-God Sends Us His Own Son. The children will be bringing home their book on Wednesday. There will be a review page that will need to be completed at home and a parent's signature is a must on the review sheet. The review sheet is graded and the signature from the parents will be worth points.

Math: Chapter 1: Place Value and money will be the topic for this chapter. The themes this week include: place value to 100, counting money and making change.

Reading: The story this week is called "Dear Juno". The skills we will be working on include decoding words with vowel- consonant- silent-e pattern, character, plot and setting. We will be using different strategies which include context clues and sentence clues.

Vowac: Lessons 229 and 230 which include learning about vowel-consonant-silent e syllables as in cake and tire.

Spelling: Unit 31 will be over vowel-consonant-silent-e words.

English: This week we will be working on different activities which include building vocabulary, revising sentences and checking up on what we have learned so far in this chapter.

Science (Mrs. Yahne): Chapter 1, lesson 3: The Life Cycle of a Plant. There will be more vocabulary words that the children will be doing. We will have filled out both sheets. Expect the vocabulary sheets to be coming home on a daily basis this week as we are nearing a science test. I have been keeping all worksheets the kids have completed in their Science folder.

Social Studies (Mrs. Rokusek):

Handwriting: The letters this week include u and w.
