

From The Desk of Mrs. Yahne

Week of September 7

Religion: We will be preparing the Liturgy this week with Mrs. Heisinger's fifth grade class. Your child may have a part in the mass. If they do, they will be bringing a slip home on Friday, September 4th which will have on it what they will be doing. Please join us if you are able to.

Math: Chapter 1: We will be working on problem solving and reviewing for the test which will be on September 10th. After that we will start Chapter 2 which will be on comparing numbers.

Reading: The story this week is called "Whose Habitat Is It?". The skills we will be working on include dictionary, main idea, details, character, plot, setting and summarizing.

Vowac: Lessons 231 which include reviewing vowel-consonant-silent e syllables as in cake and tire with a test on Thursday and Friday..

Spelling: Chapter 4 will be over long vowels.

English: We will be reviewing this week for the test which will be on Friday, September 11th.

Science (Mrs. Yahne): There will be a review on Wednesday with a test to follow on Thursday. All science sheets and vocabulary need to be studied on a daily basis. Most of the test will be over vocabulary so your child needs to study the vocabulary really hard.

Social Studies (Mrs. Rokusek) We will continue to learn about what a community is. This week lessons will focus on the fact that communities are people and how communities bring people together. Students will be reading, taking notes, and completing worksheets this week.

Handwriting: This week there will be a review over i, t, u, and w. We will then learn about the letter r.
