

Dear Parents,

As we approach the important date of September 26, the Autumn Classic, I would like to ask your support for this major fundraiser for our PTO and school. Not only is this a night of fun, socializing, entertainment, and awesome silent auction items, but it is a night that is very important financially for our PTO and John Paul II School. As you all know, expenses for our

homes, businesses, and schools increase every year. Our school meets these increased expenses three ways – support from our parishes, tuition, and fundraising. To support our families in this struggling economy, our John Paul II tuition was not raised this school year, which makes this fundraiser even more important to our school. Tickets for the dinner, entertainment, and silent auction are \$25.00 or you may purchase tickets to the silent auction only for \$10.00. The winner of the \$500 in Beef Bucks, donated by Steve and Bunny Koester, will also be announced that evening. Beef Bucks raffle tickets are being sold after Masses, at the school, and at the Autumn Classic. The Beef Bucks may be used in restaurants, grocery stores, lockers or any place that beef is sold. Please consider supporting this important fundraiser by your attendance. God bless and thank you so much for your support.
