

Dear Parents,

We are certainly entering an exciting time of year for our school! John Paul II will have our Preschool and Kindergarten registration Tuesday, March 16 from 6:00-7:30pm. I would like to request all of our parents to please contact one other parent who would have a child from the ages of 3-5 and encourage them to come and find out more about John Paul II. Your contact and support means more than I can tell you. Also, if there is a family you think would be interested in receiving an information packet, please call the school and we will make sure they receive one. Thanks so much for your support!

I would like to also take this opportunity, especially during these difficult economic times, to let our families know that we do have some funds in our Adopt-A Student account to assist those who may have a problem with tuition for the 2010-2011 school year. Please contact either myself, or our business manager, Mrs. Bunny Koester, for more information or the necessary forms. It is very

important to begin the application process for the upcoming school year as soon as possible. *With continued contributions to this fund by John Paul II parents and our parish families, our goal is that no family be turned away because of an inability to pay tuition.*

The Presentation Sisters are currently offering twenty-five \$500 scholarships to families who would like to attend or who are currently attending a Catholic school in the Sioux Falls Diocese. The selection criteria for these scholarships includes families who value Catholic education, have a financial need, are registered with a Catholic Parish in the Sioux Falls Diocese and have a child who attends or would like to attend a Catholic school in the Sioux Falls Diocese. Applications for these scholarships are available in the school office. All scholarship applications are due by Friday, March 12.
